Positioned in a tightly held pocket of Green Point, this elevated residence sits on a generous 770m² block, capturing leafy district views and a sense of space that's becoming increasingly rare. Set back from the street with established gardens and a wide frontage, it offers privacy, presence and a home that feels grounded from the moment you arrive.

Inside, the layout is both practical and inviting, with multiple living zones designed for comfort and flexibility. The main living area is warmed by a fireplace and framed by large windows, while the kitchen connects easily to dining and family spaces. A full-length verandah extends the living outdoors, taking in the outlook and creating a natural place to unwind or entertain. With Sun Valley Regional Play
