## 69A Nirvana Street Long Jetty NSW

4 3 2

Set across two generous levels, the home has been designed to separate living and accommodation with purpose. Downstairs, the main living zone opens wide-polished concrete floors underfoot, warm timber ceilings overhead, and full-width glazing that pulls the outdoors in. The connection to the north-facing deck is seamless, creating a private entertaining space that feels like an extension of the home.

Upstairs, a second living area adds flexibility-ideal as a retreat, media space or quiet breakaway. The master suite is well positioned with walk-in robe and ensuite, while additional bedrooms are thoughtfully zoned around a central family bathroom and study.
