

3 Venice Street Long Jetty NSW

3  2  1 

Positioned in a well-held pocket of Long Jetty, this original single level home presented a genuine opportunity for buyers chasing value, location and future potential.

Set behind a classic brick façade, the home offers a simple, functional layout with three bedrooms, two bathrooms and off-street parking. It's the kind of property that speaks to first home buyers looking to get a foothold, or investors wanting something solid they can hold, rent and improve over time.

The bones are there. The location does the heavy lifting. And the upside is clear.

Sold off market to a qualified database buyer, this result is another example of strong demand for well-positioned homes in Long Jetty ? even before they ever hit the open market.
