2/21 Pheasant Avenue Bateau Bay NSW

1 1 1

Set within the established surrounds of Karagi Court, this one-bedroom residence offers a simple, comfortable base to enjoy everything retirement living is meant to be. Mature trees, manicured lawns and well-kept gardens create a setting that feels calm from the moment you arrive.

Inside, the layout is easy to navigate and low fuss, giving you a space that's yours without the upkeep that once came with it. It's the kind of home that lets you focus less on maintenance and more on living.

What truly sets this apart is the community around you. Whether it's a quiet morning stroll through the gardens or a full calendar of social activities, there's always something happening - and always the choice to be part of it, or not.
