8 Kitchener Road Long Jetty NSW

3  1  1 

Positioned within one of Long Jetty's most tightly held coastal pockets, this rare development opportunity combines premium architectural design with the advantage of an approved complying development certificate already in place, allowing the next owner to move straight toward construction.

Set on a level 696sqm parcel with dual street access, the approved project consists of two architecturally designed luxury residences, each thoughtfully designed with four bedrooms, three bathrooms and garaging. The contemporary coastal design has been carefully curated to suit the evolving premium market emerging throughout Long Jetty, Toowoon Bay and surrounding beachside suburbs.
