## 8 Kitchener Road Long Jetty NSW

3 1 1

Positioned in one of Long Jetty's most tightly held coastal pockets, this rare opportunity combines a level 696sqm block with dual street access and architecturally prepared plans for a premium coastal dual occupancy concept.

The proposed design features two contemporary residences, each planned with four bedrooms, three bathrooms and garaging, created to suit the growing demand for high-end coastal living across Long Jetty, Toowoon Bay and surrounding beachside suburbs.

With semi-commercial glazing, timber-look cladding, stone feature finishes, landscaped balcony edges and clean contemporary lines, the concept offers a refined coastal aesthetic designed to stand apart from standard duplex
